

Play 09: What's Preventing Us from Finding or Following Our Calling?

These questions are designed to help you reflect honestly and chart your path forward.

- 
1. Which external voices (status, money, prestige) are loudest in your head this week?
 2. What fear—failure, judgment, loss of security—most constrains your next step?
 3. If you acted bravely for 24 hours, what single move would you make?
 4. Where are you overthinking instead of testing with a small experiment?
 5. Which expectations (family, mentors, culture) are you carrying that no longer fit?
 6. What “perfect conditions” are you waiting for—and what can you do with what you have?
 7. How has your sense of calling evolved across decades? What is it asking now?
 8. What sunk costs (career, credentials, lifestyle) keep you on the wrong path?
 9. Who in your environment fuels your calling—and who quietly drains it?
 10. What 30-day micro-commitment would prove to you that this path is worth pursuing?

Take one insight from your answers this week and test it in your next decision/team interaction.
